THE AMERICAN ACADEMY OF POLITICAL AND SOCIAL SCIENCE

3457 Walnut Street **Philadelphia 4, Pennsylvania**

Origin and Purpose. The Academy was organized December 14, 1889, to provide a national forum for the discussion of political and social questions. The Academy does not take sides upon controverted questions, but seeks to secure and present reliable information to assist the public in forming an intelligent and accurate opinion.

Meetings. The Academy meets occasionally each year during the winter months, either for an evening session or for conferences lasting one or two days; it also holds an annual meeting in the spring extending over two full days and including six sessions.

Publications. THE ANNALS is the regular bi-monthly publication of the Academy. Each issue contains from twenty to thirty articles on some prominent social or political problem. With rare exceptions, all articles published are written at the invitation of the editors. These volumes constitute important reference works on the topics with which they deal, and are extensively cited by authorities throughout the United States and abroad. The papers of permanent value presented at the meetings of the Academy are included in THE ANNALS.

The Academy also publishes occasional pamphlets.

Membership. Applications for membership in the Academy should be addressed to the Academy office. The annual membership fee is $5.00 and the life membership fee is $100. Membership is open to those in the armed services of the United States for the duration of the war, and to students, at a special rate of $3.00 per year. Members of the Academy receive the regular issues of THE ANNALS and are invited to the meetings.

Subscriptions. Libraries and other institutions are invited to subscribe to THE ANNALS at a cost of $5.00 per year for paper binding, or $7.50 per year for cloth binding.

Single copies of THE ANNALS may be secured by non-members of the Academy at $2.00 in paper, or $2.50 in cloth binding. The corresponding prices to members are $1.00 and $1.50.

¶In order that THE ANNALS *may be correctly addressed to members living where postal zoning is in effect, such members are requested to inform the Academy office of the number of their "delivery station."*
